- 10.2 On expiry or termination of the Contract, the Company will return any keys or other property of the Customer which has been provided to it in connection with the Goods and/or Services.

- 10.3 If the Company has any legal obligation or duty to continue providing any of the Goods and/or Services for any period of time after termination of the Contract, the Customer shall be liable to continue to accept and pay for those Goods and/or Services in accordance with the Terms of the Contract.
- 10.4 The following conditions of these Terms shall survive expiry or termination of the Contract for whatever reason:
- 10.4.1 the Customer shall immediately pay to the Company all of the Company's outstanding unpaid invoices and interest and, in respect of the Goods and/or Services supplied but for which no invoice has been submitted, the Company shall submit an invoice, which shall be payable by the Customer immediately on receipt;
